Dear Prof. Mathew Kuofie,

This has reference to your letter addressed to our Vice Chancellor Prof. J.A.K. Tareen dated September 01, 2009.

The Pondicherry University has in principle agreed to collaborate with the Global Strategic Management Inc., Michigan through our School of Management.

You may proceed with the organization of the Global Summit of academia, industry and government on “Economic Development and Business Strategies – A Review of Global Best Practices” between June 23-25, 2010.

The University will provide you with the available infrastructural facilities and advise the faculty and students to be in the organizing committee to help with the organization. The Dean of School of Management will be the contact person for working out the modalities and making available facilities with appropriate approval.

We wish your Summit conference all the best and hope that the conference will come out with excellent publications useful for the world in general and for India in particular.
