Dear Professor Kuofie,

It gives me great pleasure to write in support of your efforts to forge partnerships between the Global Strategic Management Inc, Michigan USA, Malaysia Ministry of Trade and Industry, Institute of Business Excellence and Faculty of Business Management, Universiti Teknologi MARA Malaysia, to organize the First Global Business Summit Conference to be held in Shah Alam from June 15 to 17, 2009. I would like to take this opportunity to wish all international delegates as well as our local participants a warm welcome as we meet to debate on global issues. Many thanks goes to all those who have contributed selflessly towards the success of this event.

I wish everyone a very fruitful conference and may this be the start of many more productive interactions and the establishment of positive relationships.
